

Representative Lewis R. Vaughn

It was a privilege to serve in the South Carolina House of Representatives with Terry Haskins. He was a man of courage, humility, and integrity as well as great personal charm. He devoted himself selflessly to a host of humanitarian causes. During his battle with cancer, Terry still found the ability to serve, work, and lead with grace and humor.

Terry was a tower of strength and a strong force for progressive, public service and I am a better person for knowing him.

Sincerely,

Lewis R. Vaughn
