STATEMENT BY SENATOR JOHN MCCAIN ON TERRY HASKINS

WASHINGTON, D.C. – “Our thoughts and prayers are with Gloria, David, Bryan, Hayden and Harlan, who have lost a wonderful husband and father, with all of Terry’s family and friends, who have lost a kind and loving presence in their lives, and with the people of South Carolina who have lost an exemplary public servant. Terry Haskins was too good a man to leave us at such a young age. Cindy and I are heartsick over his loss, but take comfort in the certain knowledge that Terry has left a legacy of principled public service that will encourage future generations of South Carolinians to commit themselves to causes greater than their self-interest. And our memories of Terry, of his honor and decency in public and private, will long outlast the pain we feel today.”
